

As more people are working from home, cyber liability insurance is more important than ever! Are your clients fully protected? Do they have Cyber Liability Insurance?

- 1 in 40 small businesses get cyber attacked
- 75% do not have cyber risk insurance
- 60% of small businesses go out of business within 6 months of a cyber attack

Data Breaches can occur by more than computer hacking. Data breaches include:

- Missing or stolen laptop, smartphone, or USB
- Miss-mailing
- Erroneous data, posting in public
- Loss or theft of physical documents (not just electronic)
- Computer hacking
- Unauthorized employee disclosure
- Employee error or oversight

Make sure your clients are protected today!
